

EASYCare **Grease & Oil Away+**

Remove unsightly oil and grease stains

500ml ready-to-use bottle

Grease & Oil Away+ is a simple to use, professional grade cleaner to remove engine oil, grease and oily stains from drives, patios and decking.

It contains deep penetrating active ingredients to ensure penetration below the dirt and stains, making removal easy.

Used straight from the bottle, it can be applied on concrete and natural stone and will not damage sensitive materials such as marble, limestone, sandstone and granite.

It can also be used to clean grease from barbecues and other items effected by oil, grease or fat deposits.

APPLICATION

- SHAKE THE CONTAINER FOR 30 SECONDS BEFORE EACH USE
- Pour directly from the bottle on to stained area and agitate with a stiff brush
- Leave for 20-30 minutes. (Do not allow product to dry out)
- For best results, remove using boiling water and agitate with a stiff brush. Alternatively, use a power washer
- If the stain persists, repeat the above process

- **Coverage** depends on porosity of surface

DANGER

Precautions

- **Always test on a small hidden portion of the surface to be cleaned to check compatibility and performance before commencing on the whole area**
- Ideal ambient and surface operating temperature is between 10°C to 20°C. As a guide, ensure the surface of the stone is cool to touch
- Do not apply in direct sunlight. In hot weather conditions, apply early in the morning before surface temperatures start to rise
- Do not allow to come into contact with plants, shrubs or grass
- Keep animals and pets away until cleaning process is complete and the surface is dry

Storage

- Store in original container
- 24 months in un-opened container at 20°C
- Do not store or display below 5°C
- Keep out of direct sunlight and protect from frost
- Keep out of reach of children

Health & Safety

- May be fatal if swallowed and enters airways
- Causes serious eye damage
- Do not eat, drink or smoke whilst using this product
- Do not get in eyes, on skin or on clothing
- Wear protective gloves/protective clothing/eye protection/face protection
- Wash hands thoroughly after handling
- **IF ON SKIN:** Gently wash with plenty of soap and water. Take off contaminated clothing and wash before reuse. If skin irritation or rash occurs seek medical advice/attention
- **IF IN EYES:** Bathe the eye with running water for 15 minutes. Promptly wash eyes with plenty of water while lifting the eye lids. Continue to rinse for at least 15 minutes and get medical attention. Remove contact lenses if possible and safe to do so
- **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Wash out mouth with water. If conscious, give half a litre of water to drink immediately. Transfer to hospital as soon as possible
- **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If feeling unwell, call for medical assistance
